**MEMORANDUM**

**TO :** All Departments & Agencies

**FROM :** The Honorable Tulensa W. Palik   
Governor of Kosrae State

**SUBJECT:** World Tuna Day 2023

In celebration of this year's World Tuna Day with the theme "Adapting the FSM Tuna Fishery to Climate Change", and to allow everyone's participation in this statewide event, all offices will be closed for business on Friday, May 19, 2023, except for those whose nature of operation requires continued services. Per request by the FSM President for enhanced coverage of this annual event, the main venue this year will be the Utwe Marina, rotating to Lelu Marina next year, and then back to Okat Marina the following year 2025. Everyone is welcome to the Utwe Marina on May 19 to witness the results of the fishing derby along with fish cutting demonstrations, fish recipes and other fun learning experiences planned for World Tuna Day.

Because this is a statewide activity, the Kosrae State Police and the Department of Health Services are hereby tasked to provide traffic and medical support throughout the event.

Should more information be needed on the matter, my office stands ready to assist.

Kulo ma lulap.
