Subject:

Supplemental Budget Request

Re: APIL

Hope this letter greets you with better health.

Per our discussion and instruction provided to me on Tuesday, March 28, 2023, I am submitting this communication to reflect the above stated matter, hoping the amount specified to be reinstated and adjusted to the Division's '23 annual budget.

This is one of the unbudgeted activity (ies) that will definitely incapacitate the already critical budget for this year.

Please refer to the attachments enclosed as the schedule projected additional hours for each officer is anticipated to satisfy all security measures for the duration of stay for all the respected dignitaries upon arrivals to departures. You will also note that the schedule provided also covers all activities relevant to the conference.

Please, if you have any questions or further inquiries, let me know before the proposed is launched.
