SUBJECT : Letter of Appreciation

Greetings and hope this letter finds you in the best of your health, spirit and prosperity.

The main essence of this letter is to convey our deepest appreciation and sense of gratitude for your contribution and support to the Tafunsak and Walung Women's Day 2021. I am very grateful to inform you that the week went successfully through your admirable contributions.

It was a meaningful and enjoyable week in which we should be proud of and your contributions had been so helpful. The event covered most of what the association had been desiring to implement annually to our community such as: Outreach Programs, Fellowship, School Visits, Revival Skills, Roadside Clean-up and Beautification, Healthy and Wellness activities, Demos & Sales of local produces and more. Again, on behalf of Women in Tafunsak and Walung, it is with great honor to extend our sincere and multitudes of appreciations. We hope to continue this mutual assistance in the long run. Please find attached documentation as confirmation of your utmost support.

Kulo na ma lulap,

Sepe D. Mongkeya/President TWA
