Kosrae State Government

Kosrae FM, 96944

Dear Speaker Phillip,

“Greetings and hope this letter finds you in good health and spirit!”

I am most delighted to inform you that Kosrae Department of Education / Kosrae High School will hold the 2023 Kosrae Local Close-Up Program again this year on May 22, 2023 to May 26, 2023 with the theme **“Navigate Adversity with Pride and Cultural Resilience”**. One of the main goals for this year’s Local Close-Up is for the students to present a mock-trial presentation of each of the three (3) branches of our local government.

The purpose of this communication is for your office to allow Malem juniors students to attend one of your session meetings in order for them to have a real close up insights of how the Legislative Branch conducts its session meetings with the understanding of the procedures and/or protocol. With that being said, Kosrae DOE is asking that your office can schedule this activity for sometimes this week or next week, if possible, that would be much appreciated.

We hope you will be able to fit this event into your busy schedule. The coordination staff and I will be anxiously awaiting your reply. I trust your concerns and queries will be forwarded to my attention should there be any. I can be reached at 370-3008 or email Local Close-Up program: likitulensa@gmail.com or scottjnen@gmail.com.

Thank you very much for your consideration.

Sincerely,

Tulensru Waguk, Ph.D
Director, Department of Education
